#### Methapharm Opens New Canadian Distribution Centre A Perfect Global Positioning

Brantford ON February 19, 2004

Methapharm has just opened its new Canadian distribution centre in Brantford, Ontario. This new 20,000 square foot facility houses Methapharm's Canadian corporate offices, in-house regulatory department, international call centre and warehouse.

The new Brantford office is conveniently located one hour's drive west of Toronto, Ontario, two hours from Buffalo, NY and 3 hours from Detroit, MI.

Methapharm, which specializes in the ownership and distribution of niche branded pharmaceuticals, has built a presence and success record in North American market that has become extremely valuable to foreign companies who wish to enter into the tough regulatory environments of the U.S. and Canada.
